

The Taxi Story - Celebrating 100 years of Indian Cinema

How does India – a country that is as diverse as the people inhabiting it with one of the largest film industries in the world, celebrate 'the 100 years of Indian Cinema'?

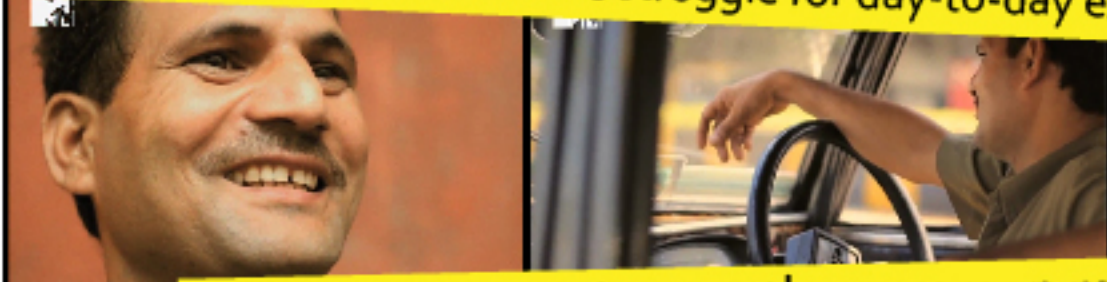

We narrated a story

A story where the genre was real life

Where the storyboard was the struggle for day-to-day existence

And the protagonist was the common man

celebrates

Years of Indian Cinema

An interesting narrative about a Taxi Driver with his fascinating perspective, thoughts and tales that entertain and captivate the viewers, much like the films that he watches.
