A photograph of a sunset over the ocean. The sun is a bright yellow-orange orb just above the horizon, with its light reflecting on the water's surface. The sky is a gradient of yellow and orange, with a few wispy clouds. The water is dark and calm, with gentle ripples.

**This picture shows a sunset above the ocean. There are few clouds in the sky. We can see the horizon. The sun reflects in the water. The sky is full of beautiful colours: a mixture of yellow and orange. The ocean is calm and peaceful.**
