

Boys start out chasing balls,  
move on to chasing girls, then quickly go back to chasing balls.

*At the beginning, children dream of being like the big players. Later, like the biggest players.*

*In football, the only colour that matters is the jersey's.*

Cellphone, DVD player, Gaming console, TV...  
No screen will ever be as captivating as a great coach.

There's one TV channel never watched by footballers. The weather channel.
